EENWA AT SAND CREEK

We are excited to introduce our new Cadence Collection of duplex and single-family homes in Greenways at Sand Creek! Crafted to seamlessly blend with the existing Greenways neighborhoods, our Cadence Collection boasts a modern take on duplex living. With a choice of Modern, Farmhouse, or Cottage exteriors.

Less Upkeep. More you. Find your Cadence.

The Cadence Collection is designed to give the household back the calendar. Less to finish. Less to maintain. Less to plan for. What stays is what makes Cadence Cadence: the pocket office where daily paperwork lives, the Owner's Entry where the day lands, the standard loft where the household gathers upstairs, the primary suite sized for the household that has stopped negotiating with itself. What falls away is everything the calendar used to owe the house. Saturday belongs to the household again. The trip actually taken. The garden actually tended. The evenings actually kept. Attached garages standard. Farmhouse, Modern, and Cottage elevations dress every placement — the collection's design argument stays intact; the calendar argument opens up.

Prices and availability subject to change. Ask about additional incentives, valid when financed with Builder's Preferred Lender. Design Studio specifications and materials are subject to change based on manufacturer availability. Interior selections and exterior colors will vary based on printing and monitor.
