Priced From

$710,400

3 Elevations Available

- **3 - 8** Bedrooms
- **2.5 - 6.5** Bathrooms
- **3,867+** Sq. Ft.
- **3** Car Garage

Somerset is the two-story that lets the household author its own main floor and then quietly climbs the stairs to something more personal. Choose the pocket office and gain a small, purpose-built workroom off the owner's entry. Choose the guest bedroom instead and gain a main-floor suite with its own bath. Choose the scullery and gain a wine alcove and a prep kitchen behind the primary one. Upstairs, a primary suite with an optional five-piece bath — and a rare upgrade: Bedroom 3 can be elected as a full suite, with its own bath and walk-in closet.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
