Big news in a small package.

The Preamble Collection is where thoughtful design meets attainable living—putting what matters most right at the center. Featuring seven Ranch and 2-Story single-family footprints ranging from 456 to 1,841 square feet, each home is crafted with the signature Classic quality you expect.

Modern Farmhouse-inspired exteriors offer a warm, welcoming presence at every doorway. Inside, smart layouts deliver versatile living spaces: storage lofts on ranch plans, adaptable upper-level spaces that finish as an open loft or a dedicated bedroom, and a basement option on select designs. Every home includes a detached two-car parking pad with options for a garage or a 489-square-foot Accessory Dwelling Unit (ADU) above. Nine professionally curated design packages let you express your aesthetic effortlessly.

Here, simplicity isn't a compromise—it's the ultimate feature.
